but he does not appear to have followed such a course. I was informed that the Assistant Commissioner of French-Rocks gave his permission to the melting of the lace, but that Officer had no authority to give such permission.

I am under these circumstances to request you to kindly ascertain from the Deputy Amildar and the Assistant Commissioner the reason why they acted without due authority in this matter, and to submit a report thereon for the orders of Government.

The action taken by the Deputy Amildar has no doubt resulted in a compromise to the temple, but the procedure adopted of removing the Lord's faced articles from the pillars' and the removal of the lace from the temple in the presence of the chief temple servants there, has placed them in an impossible position of having to deny the allegation that the silver credited to the temple was not all that was extracted from the faced pieces of gold under their surveillance. I am to request that this point also may be investigated and reported upon for the information of the Government.

The petitions on this subject have been already sent

GOVERNMENT OF H. H. THE MAHARAJA OF MYSORE,

MUZRAI DEPARTMENT

DATED BANGALORE, 13/4/1907

Channarayana 13th April 1907.

FROM

L. ANANTASAMI RAO, Esq., B.A.,

SECRETARY TO THE GOVT. OF H. H. THE MAHARAJA OF MYSORE,

MUZRAI DEPARTMENT.

To

The Deputy Commissioner,

Mysore District.

SIR,

One of the complaints brought against the present Peshkar Channarayana alias of the village of Channarayana at Channarayana contained in petitions which have already been sent to you for enquiry and report, is to the effect that he arranged for *Channarayana* of the temple in the village of Channarayana -- 1907 contrary to namul and without the previous sanction of the Government or of the Deputy Commissioner. It appears that he -- collected subscriptions for the purpose from the public and also from the temple servants (who are all his subordinates) either in the shape of cash or rice from their sthalavasa allowance and arranged to have "Vievedya prasadas" cooked and prepared near the Palyani against namul instead of in the temple.

It is learnt that the late Muzrai Secretary had -- given an order to the temple authorities to the effect that --

Prasadas for noivedya should ordinarily be prepared only in the temple premises and during special Utsavams, in certain ecified mantras outside the temple. If so, a copy of that order may be kindly obtained from the temple records and submitted to this Office for reference.

I am further to request that explanation may be ---
shall obtained from the Peshkar, as to why he did not obtain the previous sanction of the Deputy Commissioner in the matter of collecting contributions and of ceasing to introducing *ఉపదేశము* which appears to have not been in existence in the temple.

4 The Deputy Collector of Branch District (P. S. District) is requested to have been aware of these acts of the Peshkar and to have been present at Elkote when the unauthorized collection of the contributions referred to above and the holding of the Utsava in question without sanction from higher authority should also be ~~kindly~~ kindly obtained and submitted for the records of Government.

Early reply is requested.

I have the honor to be,

officer and as its disposal is within my own powers, I have reserved it for disposal

6. The Sub Division officer in his yadast no 168 dated 6.3.07 herein enclosed has fully dealt with the 12 points in the accompanying memo and for reasons stated therein no blame can be attached to the Peshkar. The other points about which complaints have been made, have been answered fully by the Peshkar, Deputy Amildar and the Sub Division officer. The enquiry held by the Sub Division officer coupled with the fact that Nallur Zirunarnaiyengar who is the chief complainant declined to take any part in an open enquiry and wished that an enquiry should be held in the absence of the Peshkar and the Deputy Amildar show that no tangible case has been made out against the Peshkar and the Deputy Amildar and that Nallur Zirunarnaiyengar had not the moral courage, much less judicial evidence, to substantiate his allegations when full

full opportunities were afforded
to him.

7. The records of enquiry further show that the Peshkar has not acted independently but has obtained the orders of his immediate superiors viz: The Deputy Amildar and the Sub Division officer.

8. of the several complaints those which call for special notice of higher authorities are (1) ^{the burn and unroofed} the burning and melting of the ^{roofs} ~~corn~~ ^{roofs} (2) The conduct of dakshadepo-
thoava and (3) the misappropria-
-tion of the Sukrawara Kalk amount.
of these the 1st and 2nd points have
been discussed at length by the
Sub Division officer and it seems
unnecessary to go over the same
grounds again but no room
would have been given to the
irresponsible petitioners to make
these unworthy allegations if the
Sub Division officer had only
sought the formal approval of
higher authorities either prior
or subsequent to his giving
the

The permission.

9. As regards the 3rd point the enquiry shows that there has been no misappropriation.
10. The complaints may therefore be treated as frivolous and vexatious.
11. One of the Assistant Commissioners of this District who paid a surprise visit to Melkoti gave me to understand that the Peohkar has been maintaining his cash book steadily and produced the balance of cash from proper custody as soon as it was called for.
12. The several complaints preferred against the Peohkar may therefore be considered as the out-come of "Zid" because good and honest work is insisted upon by the Peohkar.
13. I agree with the Sub Division officer's opinion that it will be extremely difficult to maintain discipline in Service if subordinates are allowed with impunity to make ill-informed and unfounded charges of a spiteful

spiteful nature against their
superiors - If the Mugrai Sec-
-retary agrees with me it is
highly desirable that the conduct
of the subordinate temple
servants such as Nallar Viru-
-narnaiengar, Kasturi Ranga
Char^{and Virunakarnaiengar Porpathangar} should be severely noticed
by Government for preferring
such false and unfounded
complaints against an officer
who has been honestly discharg-
-ing his duties. If such insub-
-ordinate and scandalous tenden-
-cy among temple servants as
is now brought to notice is left
unchecked, I am afraid the
contagion will spread among
other servants with the result
that discipline which is so essen-
-tial for efficient administra-
-tion of temple affairs, cannot
be maintained.

~~GENERAL AND REVENUE DEPARTMENTS.~~

SIR,

Adverting to your docket no: 2380 dated 20 11 1907 forwarding for report 4 petitions (herewith re-transmitted) complaining of the stoppage of Utsavams in the Sri Narayana Swami temple and in continuation of my letter no 274 dated $\frac{20}{24}$ 12.07, I have the honor to state that the Sub Division officer of French Rocks (Mr. Badami Krishna Rao) to whom the petitions were referred for report has, after holding an enquiry, submitted a detailed report with his letter no 635 dated $\frac{20}{23}$ - 2 - 1908 copy of which together with its enclosures in original, are herewith submitted for information.

2. It will be observed from the Sub Division

Division officer's report that
"both the oral and documentary
evidence prove that the omission
of the Etoavam in question is
Shastrais, authorized and un-
objectionable."

3. As already stated in para 13
of my letter quoted above and
as observed by the Sub Division
officer there will be no end to
such complaints if suitable
notice is not taken of the conduct
of the mischievous temple servants
who frequently prefer such false
and vexatious complaints which
are trivial in nature and which
do not deserve any serious at-
tention.

4. The petitions under reference
may therefore be treated as
frivolous and vexatious and
rejected as unfit for any
notice being taken.

I have the honor to be,

The Deputy Commissioner

Sir,

Adverting to your docket no: 227
dated 22nd November 1907 re: the
petitions complaining of the stop
page by the Peshkar "Pancha Par
-votsavam" utsavam in the Sri
-Narayana swamy temple at Mel-
-kote, I have the honor to report
as follows: -

Archak Naraswaraja Bhatta has
deposed that the undermentioned
utsavams are called Pancha Parvo
-tsavams and are celebrated every
month.

- 2 — one on each Dwadasi day
- 1 — on Sankaramana day
- 1 — on Hastha Rakshatra day
- 1 — on Anavasya day.

The Utsavam on Jula Sankarama in
question is one of these. It is stated
that

that if any of the above Pancha Parva Utsavams happens in the midst of the Utsavams which are to be performed after Ankurarpana and in the midst of Purana tōda kōstavams it is usual to stop it. 17th October 1907 was the last day of the annual Purana Satmare Utsavam and as on that day the utsavam in question happened to be performed, it had to be given up for reasons stated above. The archak has further deposed that there is nothing in the Shastras which declares such mamool omissions as objectionable.

one Chattri Shamavengar a respectable and learned old gentleman of about 72 years and a resident of Melkōta has corroborated the Archak.

The Peshkar states that after the Purana Satmare 'utsavam in the Kalyani on the day in question the deity was brought in procession near the temple, that a few minutes after Parpathēgar Singla char who went into the temple came out and got the deity removed to

to a Vahanam, that after the pro-
 cession round the town the Par-
 -pathagar questioned him at the
 temple gate whether the Sankha-
 -manakatte utsavam should
 be performed or not; that as
 it was about 9 p.m. and he felt
 doubt regarding the question
 raised by Parpathagar who was
 an old and experienced temple
 servant of the temple he (Peshkar)
 told him (Parpathagar) that he
 might get it done if it was usu-
 -al, that after a while the Parpath-
 -gar got the deity removed into
 the temple and the Nityakatte
 Pradhane etc was over and all
 went home. The Peshkar has also
 stated that he had learnt that
 it was not usual to perform the
 monthly utsavams such as the
 one in question if they happen
 in the midst of utsavams com-
 -mencing with Ankurapana up
 to Avabritā and from Jodaka to
 Satmore. He has also stated that
 on a reference to the accounts
 of 7th October 1897, 6th October 1900
 and of 10th October 1905 on which
 dates fell the Pancha Parvothavams

no expenditure of oil for utsa
on account of Pancha Parvothavam
appears to have been incurred
except some articles for "Snapanam".
An extract from the account
is attached which proves that
the omission of the Pancha Par-
vothavam on particular occasion
is in vogue. Both the oral and
documentary evidence prove
that the omission in question
is Sastraick authorized and
unobjectionable

With much difficulty the petitioner's
presence was procured on 19.1.08.
The petitioner has given a state-
ment saying that the stopping
of Pancha parvothavam is a
mistake and against the Sastras
and has quoted some authorities
but beyond this he has not
produced any proof.

From the accounts of the temple
(Extract in the file) it will be
seen that no expenditure has
been incurred on account of
Dwadase utsavam which
happened during Purana Satamore
utsavam in 1897, 1900 and 1905

Several

Several of the respectable and learned residents of Melkote appeared before me and presented a petition (enclosed) representing that there are about 3 or 4 unprincipled and mischievous who are unconnected with the temple at Melkote but are constantly petitioning unnecessarily against the temple authorities and thereby brought a bad name to the whole community. They state that if such persons are duly punished the towns people would be highly benefited and saved from the trouble they would be subjected to. Unless and until one or two such notorious petition writers are punished for preferring false complaints there would be no end to such complaints, no peace to the respectable inhabitants, no credit to the really hard-working and honest Government servants and freedom from frequent annoyance to officers.

The file of papers on the subject are herewith submitted.

~~GENERAL AND REVENUE DEPARTMENTS.~~

SIR,

In submitting herewith the 3 files of Vernacular correspondence (1) relating to the sealing of the doors of the Sri Narayana Swami temple at Melkote (2) to the compilation of the accounts shewing the lands endowed to the Sri Narayana Swami temple and (3) to the preparation of the monthly accounts, received with the marginally noted Zadoats from the Sub Division officer French Rocks, I have the honor to state that the records disclose that there is much strained relationship between the Deputy Amildar
several

Amildar and the Temple Pesh-
kar Venkataramaniah, so
much so that the Peshkar has
tendered his resignation (vide
G.O. No. $\frac{268}{897}$ dated 7.6.08).

I am afraid that if such
undesirable state of affairs
should be allowed to continue
for some time longer the
temple work may seriously
suffer. It is highly desirable
that the Deputy Amildar and
the Peshkar should be imme-
diately separated and I would
therefore recommend that
Peshkar Venkataramaniah
may be either transferred
to the Srirangapatna or Nan-
jangud temple or granted
six months leave without
allowances for which he
had applied some time ago.

In the event of Government
accepting

tendered by the Pesh
I beg that a competent
Peshkar may be nominated
and sent to Melkote in place
of Venkataramaniah as I
cant find any one in
this district who can satis-
factorily discharge the
Peshkar's duties at Melkote.

I have the honor to be,
Sir,
